

PRO GOES FREE!

Complimentary Golf and Lodging for PGA Professionals, Guaranteed Best Prices and 4% PGA Golf Retirement Plus™

Licensed by the PGA of America as the exclusive North American distributor of Ryder Cup travel packages, Premier Golf has more than 25 years' experience organizing and managing custom golf groups all over the world. A thorough knowledge of the destinations we serve, combined with our lowest available price guarantee, assures your members of the very best value. You'll not only offer them the golf experience of a lifetime, you'll earn 4% of the total group value, applied to your PGA Golf Retirement Plus account or to a Cash Prize Fund. Just tell us where and when you want to go and how many will be in your group—we'll take it from there. Because we've most likely stayed there and played there, we can suggest where to stay, what to wear . . . even where to eat. We can also arrange tee times, ground transportation, airfare and non-golf activities. And our marketing support—professional proposals and full color flyers—will help you get the word out to all of your members.

Let Premier Golf design your club's next group trip—our professional staff will create a tour tailored to the unique requirements and abilities of your members!
