About US

Premier Golf LLC is unequaled for golf tour quality and offers over 35 years of experience. You therefore benefit from the long term relationships that we established many years ago. We have a full-time local team in your destination who personally know the local golf course managers, golf professionals, caddy masters, hoteliers, and restaurateurs. Staff members are always on call and keep in contact with you frequently during the trip.

We do not use sub-contractors or destination management companies like most operators. We negotiate directly with the suppliers on your behalf and often get preferred tee times or reservations that are otherwise unavailable. Premier Golf LLC has been the Official Travel Supplier of the PGA of America and for many years has been a licensed distributor of Ryder Cup packages, The PGA Championship, The Bandon Dunes Resort, The PGA Village and more. We are the largest and most secure golf tour operator in the USA.

Great effort goes into our annual review of hotels, assuring you excellent, hand-picked accommodations. While there are less expensive versions, we believe that our selections will match your expectations. Room types are detailed in this document. Should you desire information on higher or lower priced options, please contact us on this specific matter.

FINAL DOCUMENTS: About three weeks prior to departure you will receive a detailed itinerary with local staff contact information, hotel contacts, travel tips, restaurant recommendations, hotel and golf descriptions, sightseeing descriptions, and interesting reading on local tours and history.

CANCELLATIONS: Tour terms and conditions of booking are shown on the Tour Registration Form. These terms and conditions will be enforced, so we always recommend Travel Insurance:

TRAVEL INSURANCE: Travel Insurance by GolfSafe Travel Protection, the world's most established travel protection provider, is highly recommended. We can quote you travel insurance after you return your Tour Registration Form with your birthdate (age specific policies). You have up to 2 weeks after paying your deposit to buy travel insurance and still be covered for pre-existing conditions. You can buy insurance afterwards but pre-existing conditions may not be covered. The insurance is in addition to the tour cost. Review here: [GolfSafe](#)

SHIP STICKS GOLF BAG DELIVERY: For excellent golf bag or luggage shipping service we recommend our partnership with Ship Sticks for golf bag or luggage delivery before or after your tour. *First time users can save 10%.* They will pick up at your club or at your home and are VERY reliable. For a free quote visit [SHIPSTICKS](#) or call (561) 429-3900 for price quotes and bookings. When calling remember to identify yourself as a Premier Golf traveler.
