The American Club

The American Club Resort, a world-class destination for luxurious accommodations, award-winning dining, championship golf and tranquil rejuvenation, offers exceptional choices for year-round getaways. As the Midwest's only AAA Five Diamond Resort Hotel, The American Club offers historical charm, uncompromising service and gracious hospitality with full concierge service. Spa enthusiasts may select a more contemporary room within the Carriage House, home of Kohler Waters Spa, the only four-star spa in Wisconsin.

Down the road is the recently remodeled Inn on Woodlake, a select service hotel overlooking an 11-acre spring-fed lake with a private beach and putting green. The Shops at Woodlake are just a few steps away. Kohler's four championship golf courses, designed by the legendary Pete Dye, are all ranked among the best in the United States by leading golf publications, and The American Club is the only resort with four courses listed in the *Golf Digest* Top 100 Courses.

WHISTLING STRAITS COURSE

Open, rugged and windswept terrain defines the walking-only, links-style Straits Course sculpted along two miles of Lake Michigan shoreline. A masterpiece in the world of golf created by Pete Dye, the Straits course at Whistling Straits is ranked #52 in the world by Golf Magazine and #16 in *Golf Digest's* America's 100 Greatest Golf Courses. Host of the 2004 (Singh), 2010 (Kaymer) and 2015 (Day) PGA Championships and the 2020 Ryder Cup (played in 2021).

This is a true bucket list golf course that sooner or later you have to play, and we bet you'll want to come again! Walking with caddies included (just need to tip caddie). *Premier Golf Rating: A+*

THE IRISH COURSE

Just inland from the great lake and interspersed by four meandering streams, the grassland-and-dunes aspect of the Irish course is a deceptively tranquil landscape. Both traditional and memorable, the Irish course is full of unique challenges. The Irish course at Whistling Straits® was once ranked #31 in *GolfWeek's* Best Resort Courses and #39 in *Golf Digest's* America's 100 Greatest Public Golf

Courses. Designed to play like a links, but with slightly softer turf yet tons of fun! Walking with caddies included (just need to tip caddie). *Premier Golf Rating: A*

Meadow Valley Course: Professionals and amateurs of all skill levels can experience a day of golf like no other on the Meadow Valleys course. Described as both subtle and devilish, it winds through meadows and charges across ravines, reflecting the natural features of the Wisconsin terrain. This championship course challenges even the experts to weigh the relative advantages of distance and accuracy, though

staggered tees put much of the danger out of harm's way for the average golfer. The Meadow Valleys course was ranked number 62 in *Golf Digest* ranking of America's 100 Greatest Public Golf Courses for 2013/2014.
