This quote is first come, first served, and please note that space is already booking fast over there because of the pent-up demand caused by two years of no travelers during the pandemic. Additionally, the space quoted is available as of this minute, but could be sold at any time (it has happened several times this year) because the popular courses and hotels are very, very busy! *Time is of the essence*. This price is good for 7 days from now, at which time the price may change due to exchange rate fluctuation. All major credit cards are accepted. All individuals (or couples together) must register by going to the Tour Registration Form Link emailed to you by your agent. Once we receive your tour registration form and deposit payment, your tour will be confirmed.

## Hotel Accommodations

### The Inn

With a world of history to discover, miles of meandering bike trails, a vibrant village to explore, and golf courses to play, The Inn keeps you close to all of it. From the crackling fireplace in the welcoming lobby to the heated outdoor pool and open-air pool deck, The Inn by Sea Island embodies the spirit, charm, and warm hospitality of this beautiful coastal destination.

## Plantation Course

Inspired by the traditional profile of Walter Travis' 1928 original nine-hole course, the Plantation Course has reopened after a complete redesign by Davis and Mark Love. It's truly been a labor of love – a vision and an ongoing conversation between brothers who have transformed the course they grew up playing more times than they can count.

## Seaside Course

Sea Island's Seaside course is a Tom Fazio re-design of the 1929 classic by famous golf course architects Harry S. Colt and Charles Alison. Golf great Bobby Jones described it as among the best nine holes he ever played. By tying the original Seaside with the old Marshside course, Fazio, according to Davis Love III, transformed two nines from "18 holes that didn't match into 18 matchless holes."

## Important Information

1. **RENTAL VEHICLES:** For those looking for the freedom of the open road, car rental can offer our clients the greatest flexibility and often the best value. The majority of our rental vehicles are automatic transmission, large enough for your requirements, and include standard insurance. You will need a valid driver's license and credit card at pickup and our packages include damage, airport drop off charges, 3rd party insurance, airport taxes and surcharges, etc. The only charge will be for additional drivers, supplemental insurance, and fuel. Your vehicle will be filled with fuel at pickup and should be filled prior to drop off.
2. **HANDICAPS:** You must travel with a handicap certificate (printed or electronic) because some courses may ask for your handicap card and can deny access if you don't have one as maximum handicap restrictions apply on some courses. If you do not qualify, call and we can discuss your options.
3. **CARTS / CADDIES:** While carts are generally included in our packages in the US, where they are not, we will advise you. In these cases often a cart is only available with a "Doctors note or Medical Certificate". In some cases caddies and forecaddies are mandatory or advised, again we will advise you accordingly.
4. **FINAL DOCUMENTS:** About three weeks prior to departure you will receive a detailed itinerary with local staff contact information, hotel contacts, travel tips, restaurant recommendations, hotel and golf descriptions, sightseeing descriptions, and interesting reading on local tours and history.
5. **VOUCHERS:** Premier Golf no longer provides vouchers, as most suppliers such as golf courses and hotels do not require them any longer. All of your tour components are prepaid and vouchers are now obsolete.
6. **CANCELLATIONS:** Our terms and conditions of booking are shown above. These terms and conditions will be enforced, so we strongly recommend purchasing Travel Insurance.
7. **TRAVEL INSURANCE:** Travel Insurance by GolfSafe Travel Protection, the world's most established travel protection provider, is highly recommended. We will provide you with a Travel Insurance link when completing your Registration Form. You have up to 2 weeks after paying your first deposit to buy travel insurance and still be covered for pre-existing conditions. You can buy insurance afterwards but pre-existing conditions may not be covered. The insurance is in addition to the tour costs. Review here: [GolfSafe](#)
8. **SHIP STICKS GOLF BAG DELIVERY:** For excellent golf bag or luggage shipping service we recommend our

partnership with Ship Sticks for golf bag or luggage delivery before or after your tour. *First time users can save 10%.* They will pick up at your club or at your home and are VERY reliable. For a free quote visit [SHIPSTICKS](#) or call (561) 429-3900 for price quotes and bookings. When calling, remember to identify yourself as a Premier Golf traveler.

9. **PHOTOGRAPHER:** Among our guests favorite add-on items is hiring a professional photographer to follow them around whichever iconic course you are playing, taking action pictures, and assembling the best photographs into a nice memento photo book. Ask us about this service and document your golf pilgrimage for years to come! Makes for a great follow up gift for your group too!
10. **PASSPORTS & VISAS:** A passport, valid for six months after your return to the US is required. Begin your application process now if your passport has or will expire soon. US Citizens should check with the US Department of State on any visa requirements; <https://travel.state.gov/content/travel/en/international-travel.html>. All non-US citizens should check with similar organizations. Remember requirements change frequently so please check before travel.
